SPRING 2001 OLIVETTE ADVISORY

Olivette in Bloom . . .

Even though it may be difficult to imagine warm sunny days right now, there is a group of people right here in Olivette gearing up for spring already! This group is called Olivette in Bloom, and as the name suggests, it is a volunteer group dedicated to beautifying our city by planting wonderful gardens in select public grounds . . . the group meets soon and they have a lot to do, so come on out and enjoy the fun! Anyone who is interested in helping with this community effort is welcome to call Olivette in Bloom's President Estie Pruett at 994-9604, or email her at estherv@stlnet.com for more information.

Members of Olivette In Bloom work at Veterans Fountain at Dielman and Olive.
