November 2003

Olivette in Bloom

Olivette in Bloom, our city's resident, volunteer garden force, was honored on September 6 with a visit from 40 Master Gardeners. Olivette in Bloom's gardens at Stacy and Veterans Parks were selected as a stop for the 2003 Missouri State Master Gardeners Conference held in St. Louis. The gardens were chosen in the community garden category.

Quite an honor for our community and the work of Olivette in Bloom!
