

## *Olivette In Bloom*

### Garden Volunteers Wanted

**O**livette in Bloom is a non-profit community organization whose mission is "to promote the natural beauty and harmony in the community of Olivette by planting and maintaining garden sites in selected public spaces." We are funded by residents and local businesses whose generosity enables us to provide you with these beautiful gardens. OIB volunteers design, plant, and maintain gardens at Veteran's Memorial Park (Dielmann & Olive) and Stacy Park (medians in the parking lot); designed recent plantings at the City's garden at Olive & Bonhomme and have started planting on our new native plant garden at the Olivette Community Center. Be sure to stop by and see all of these wonderful gardens.

Our gardens, recognized as outstanding by the St. Louis Post-Dispatch and the Missouri Master Gardeners, are meant to provide beauty and inspiration and this is the perfect opportunity for citizens to work together, learn and get to know one another.

Our volunteer opportunities include helping to prepare, plant, weed and maintain our public gardens. These gardens will prosper and grow with the love and care from our volunteers. We are in need of people who are willing to donate just one or two hours of their time during the summer! **Please help! Please volunteer! Help keep Olivette Beautiful!**
