Olivette In Bloom,

the all volunteer community gardening group, is celebrating its fifth year of operation this year. We started in 2000 with our first site, the Veteran's Memorial Park, at the corner of Dielman and Olive and a handful of volunteers. In 2002 we installed a garden in Stacy Park and this year we have added our third fabulous garden at the Olivette Community Center. With an emphasis on designing and building gardens that are colorful, sustainable and harmonious with their surroundings our volunteer gardeners have cultivated beauty in our wonderful community. Olivette in Bloom community gardeners come with varying levels of gardening expertise and experience and we welcome everyone, young and old alike, who enjoy being outside, meeting new people and building community together. As our organization grows we also need volunteers with knowledge and experience in P.R., web management, development and other support areas. Our volunteers are the key to our success and our ability to expand our garden sites depends on the involvement of Olivette citizens like you. If you are interested in getting involved with this fun and rewarding group please call us at 872-8897 or contact us by writing OIB, P.O. Box 8308, Olivette, MO 63132. For more information, check out our web site www.olivetteinbloom.org.
