

A Sensational Year for Olivette in Bloom from Olivette In Bloom

Olivette in Bloom celebrated another successful season of community gardening with a Volunteer Appreciation Fiesta on Sunday October 8. Our gardens at the Olivette Community Center, Stacy Park, and Veteran's Park provided spectacular displays of foliage and flowers from March through October despite the hot, unusually dry summer. Major events of the year included "Gardening 101" – a well attended series of free evening classes, the volunteer plant exchange at Stacy Park in April, and installation of a stone walkway at Veteran's Garden in July. Thanks to all our donors, supporters, and especially to

the volunteers who design, coordinate, and maintain our gardens.

The final project planned for 2006 is a Winter Bloom sale at the Olivette Community Center on Saturday December 9 from 9am to 1pm. A variety of high quality holiday plants will be available by pre-order ONLY. Please show your support of Olivette in Bloom by completing the order form below. Happy Holidays from our gardens to yours!
