## Back by Popular Demand "Green Thumb 102"

Olivette in Bloom will open the 2007 gardening season with "Green Thumb 102". This is a free series designed for experienced as well as beginning gardeners. The programs will be held in the Old Bonhomme Elementary School library on Wednesday evenings. Join us for specific classes or the whole series. Pre-registration is required.

1. The Tree Doctor Is In! Find out how an arborist can save - and beautify – your trees. Learn how to choose an arborist and when to use one. (February 21)
2. Create an All-Season Garden! This class will help you plan your garden for year-round beauty. (February 28)
3. No Time to Garden? Container gardening may be for you! Learn how to design and create these fun, beautiful gardens. (March 14)
4. What's Bugging Your Garden? Beneficial insects and garden insect pests. This class will help you discover the good guys and the bad guys. (March 28)
5. What's Lurking in Your Garden? Banishing bush honeysuckle from our neighborhoods. This class will explain why this is necessary, suggest methods to accomplish it, and provide alternative shrubs. (Date TBD – early or mid April)

Space is limited, and registration will be accepted on a first come, first served basis. There is no charge for Olivette residents. Please register soon by writing Olivette in Bloom, P.O. Box 8308, Olivette, MO 63132 or phone 872-8897. Specify the dates you wish to attend and include your name, address, and telephone number.
