City Finance Director Retires

On October 12, 2007, Ms. Alice B. Young, Finance Director for the City of Olivette, retired after seven years of dedicated service to the city. A recognition event was held in her honor, attended by Mayor, Council members and city staff.

City Manager Mike McDowell commented, "Alice has been an important member of Olivette's management team for the past seven years and she will be sorely

Pictured above, left to right – Mayor Ruth Springer, former Finance Director Alice B. Young, Council Member Jim Baer, Council Member Missy Waldman

missed. Her technical proficiency and professionalism, as well as her commitment to excellence, have set a very high standard that will serve the citizens of Olivette well for many years to come. We are a better organization because of our association with her."

The City of Olivette wishes Ms. Young and her family best wishes and fond hopes for the future in her well-deserved retirement.

Jeff Steiner Appointed as Finance Director

With the retirement of Alice Young, City Manager Mike McDowell has appointed Jeffrey J. Steiner as Finance Director for the City of Olivette. Steiner has over 30 years of experience in accounting and business management in the public and private sectors.

Steiner has a Bachelor of Business Administration Degree in Accounting from Southwestern College, is an Army veteran, and served as Finance Director for the City of Creve Coeur for fourteen years. He has also worked for private accounting firms as well as other private businesses in his professional career.

City Manager McDowell commented, "Our community is very fortunate to recruit such a well-qualified and experienced professional to continue our excellent financial operations."

Olivette City Council Honors Senator Joan Bray

Senator Joan Bray recently received the 2007 Legislative Appreciation Award by the Missouri Municipal League for her dedication, assistance and support of local government. At the October 23, 2007 meeting of the Olivette City Council, Mayor Springer and the City Council members presented Senator Bray with a resolution, recognizing her for this achievement and honoring her for her strong support of local government and of the

Missouri Municipal League.

Senator Bray represents the 24th District, which includes all or parts of 18 municipalities and unincorporated areas in St. Louis County, including the City of Olivette.

CITY OF OLIVETTE
9473 Olive Blvd.
Olivette, MO 63132

Copyright 2007 All rights reserved.

From the Mayor – Ruth Springer

On September 28th, at Parties in the Park, tribute was paid to our Olivette residents who volunteer their time to serve on our boards and commissions. The council and I thank you for all that you've done to enhance and advance the quality of life in Olivette. We continue to urge anyone interested in serving to speak with one of us regarding how to get involved. Or visit our website, www.olivettemo.com to see what might interest you.

MAYOR RUTH SPRINGER

"Planting the Right Tree in the Right Spot", a seminar conducted by AmerenUE on September 19th, was very informative and timely as we move from fall into winter. As many are aware, subcontractors for Ameren have been in Olivette trimming tree branches in the right of ways, near power lines. According to Ameren, they expect to complete the trimming process in Olivette by the end of the year. Additional information from the seminar is available on the City's website.

Work also continues on the Olive/I-170 interchange project. Our City Manager, Mike McDowell, has weekly meetings with MoDot and the contractor regarding the progress of the project and as of last week, they expecting a timely completion by early December. Although all the road work will be finished and the roadways reopened, we will still have crews in the area doing cleanup and landscaping into the spring of '08.

The City officially named the Sansone Group as the developer of choice for the parcel of land at the southwest corner of Olive and I-170. The Sansone Group now has 180 days to negotiate a redevelopment agreement with the City in which the specifics of the project will be outlined. I will keep you apprised as we move along in the process or you can visit the City's website for information as it becomes available.

Finally, the City bids farewell to one of the oldest businesses in our community. On December 31st, Beckmann Brothers Nursery is closing. Plans by the Beckmann family to sell the property are underway. Many in our community can point to trees, plants and bushes in their yards that were purchased at the nursery. Bruce Beckmann has been a vital part of our community, serving on our Park Board for many years. Our best wishes go to Bruce Beckmann and his family.

Boy Scouts – Scouting For Food Program

- **BAG OUT DAY:** On Saturday, Nov. 10, Scouts in 37 counties will deliver plastic bags to residences all over St. Louis, southern Missouri, and Illinois. During the week, community residents will "thoughtfully give," filling their bags with nutritious canned goods.
- **BAG IN DAY:** On Saturday, Nov. 17, Scouts will retrieve the filled bags from residences, and take them to local participating firehouses, where volunteers will be in place to box up the items. Sunset Transportation Inc. will then arrange logistical support and truck transportation to move the food to the St. Louis Area Foodbank. Food collected outside St. Louis County goes directly to food pantries in Illinois and southern Missouri.

April 8, 2008 General Municipal Election

The City of Olivette, Missouri, will hold an election on Tuesday, April 8, 2008, for two (2) City Council Member positions, each to serve for a three-year term. Candidates wishing to file for election must file a declaration of candidacy, which includes a nominating petition, at Olivette City Hall, 9473 Olive Boulevard, Olivette, Missouri

December 18, 2007	Candidate filing opened at 8:00 AM
January 8, 2008	Candidate filing closes at 5:00 PM
February 26, 2008	Absentee opens for the April 8, 2008 Election
March 12, 2008	Last day to register to vote in the April 8, 2008 Election
March 28, 2008	Last day to file as a write in candidate with the St. Louis County Board of Election Commissioners (Note: Write in candidates should submit nominating petitions to the Olivette City Hall no later than 5:00 PM on March 14, 2008.)

63132. Candidate filing will open at 8:00 a.m. on Tuesday, December 18, 2007. Due to the need to timely process nominating petitions, candidate filing will close at 5:00 p.m. on Tuesday, January 8, 2008. Nominating petitions and candidate filing information are available at City Hall.

April 2, 2008	Last day absentee applications will be accepted through the mail or in person from a guardian or relative of the applicant for the April 8, 2008 Election
April 7, 2008	Last day for voting an absentee ballot in person at the Election Board office
April 8, 2008	Election Day-Polls open from 6:00 AM until 7:00 PM

Boards, Committee & Commission - Vacancies

The City of Olivette is currently accepting applications to fill remaining vacancies on several Boards, Committees, and Commissions for the City of Olivette.

Following is a list of vacancies:

Parks & Beautification Commission	1 position (term expiration 2009) 1 position (term expiration 2010)
Insurance Advisory/Board of Trustees for Retirement Plan for Salaried Employees	1 position (term expiration 2009)
Zoning Board of Adjustment	1 alternate position (term expiration 2008) 1 alternate position (term expiration 2010)
Community and Special Events Commission	2 positions (term expiration 2010)

If you are interested in applying for any of these positions, please submit a cover letter and resume outlining your qualifications and experience to: City of Olivette, ATTN: Myra Bennett, City Clerk, 9473 Olive Boulevard, Olivette, Missouri 63132, or you may submit your information via e-mail at mbennett@olivettemo.com .

Applications for Olivette Tax Increment Financing Commission

On August 14, 2007, the Olivette City Council voted to designate the Sansone Group as the preferred developer for the 14-acre Southwest Olive/Interstate-170 Redevelopment Area in the southwest quadrant of the Olive Boulevard/Interstate-170 interchange.

The Greenway Pointe Redevelopment proposal includes a proposal for Tax Increment Financing (TIF) for the project. Tax Increment Financing is a financing mechanism to utilize incremental public revenues to offset redevelopment costs over time.

Missouri law requires the establishment of a 12-member Tax Increment Financing Commission to review a TIF financing proposal and make recommendations regarding its application to a particular redevelopment project. Six members of a TIF Commission are appointed by the City of Olivette City Council. The remaining six members are appointed by other taxing districts levying property taxes in the City of Olivette, including school districts and St. Louis County.

The Olivette City Council is soliciting applications from Olivette citizens and business owners to represent the City on the TIF Commission that will be established to review the TIF financing proposal for the Greenway Pointe project. Interested Olivette residents should forward a letter of interest to City Clerk Myra Bennett at Olivette City Hall, 9473 Olive Boulevard, Olivette, Missouri 63132 or via e-mail at (mbennett@olivettemo.com).

Questions should be directed to City Manager Mike McDowell, City of Olivette, at 314-993-0444.

Police Chief's Corner

As the Holiday Season approaches, the men and women of the Olivette Police Department would like to wish you a Happy Holiday Season and a Healthy 2008.

Below are some holiday crime prevention tips that we would like to share with you:

- Be sure to lock your doors and windows when leaving your home, even for brief periods of time. If you have a security alarm, make sure you activate it.
- Always secure your valuables, and never leave items such as pocketbooks, wallets, keys, cell phones etc. unattended, even for brief periods of time.
- Do not display holiday gifts where they can be seen from windows, doorways or other openly viewable areas.
- Be cautious of strangers soliciting for charitable donations. Ask for identification, how the donated funds will be used, etc.
- When you go out for the evening, be sure to turn on the lights and a radio or television so your residence appears to be occupied.
- Do not leave boxes from TVs, VCR, Computers, etc. out at the curb for trash pick up. Break them down.

- Record all serial numbers and mark valuables with an identification number.
- Carry your purse under your arm, with the flap turned into your body.
- Be sure to lock your vehicles, and never leave valuables in sight while parked, even when in your driveway
- Park in well lit areas, and always be aware of your surroundings.

CHIEF OF POLICE
RICK KNOX

The Olivette Police Department
Wishes You a Safe
and Happy Holiday Season.

“To Protect & Serve”

If you have any non-emergency questions related to this safety advisory, please feel free to contact the Olivette Police Department at (314) 645-3000.

Partnering With the Olivette Police Department

Over the years, the residents and the business community have helped the Olivette Police Department solve several crimes, and have made the department aware of situations that could have negative impact on the community. Our community members serve as important partners with the Olivette Police Department, and as such, the Police Department has been actively searching for new ways to open the lines of communication with the community.

Recently, the Police Department began implementation of several new programs to accomplish these goals. Residents are now able to receive information, and offer information to the police department, in several new ways. Depending upon the location and severity of the offense, we communicate with residents by utilizing a tip hotline, an automated calling system, and an e-mail address crime watch broadcast.

Our tip hotline is an avenue for residents to give information pertaining to crimes that are currently under investigation. It can also be used for reporting suspicious activity. The phone number is **314-983-5252**. Callers can be **anonymous** or may identify themselves for future contact. *Note: This hotline should not be used for crimes in progress or ones that have just occurred. To report these problems, citizens should call either 911 or 314-645-3000.*

The automated calling system will be used sparingly, but will inform citizens of serious crime in the area, as well as provide weather alerts or important information pertaining

to the City of Olivette. This broadcast can be specified to neighborhoods or businesses, and the information can be sent out by telephone (voice message) or text message (e-mail).

The e-mail portion of this communication serves as a two-way line of communication. We recently emailed several subdivision trustees about car thefts that were repeatedly happening in residents' driveways. This alert was a successful use of our e-mail system. In addition, citizens may also send their comments or concerns to Olivettecrimewatch@olivettemo.com.

In order to implement the new lines of communication noted above, the Olivette Police Department has established an emergency database containing information about our community members. In order to participate in the new communications, residents must provide contact information to the Olivette Police Department to be entered into the database. This database will only be used by the Olivette Police Department, and the information will stay within our system.

Residents are encouraged to provide the Olivette Police Department with their names, addresses, home and cell phone numbers as well as their e-mail addresses, and participate in the new services being provided by the Police Department. To participate, please supply your contact information to Sergeant Craig Schneider at 983-5206, or via e-mail at cschneider@olivettemo.com. *(Those who have already submitted information need not register again.)*

As always, thank you for your cooperation and support. The Olivette Police Department will continue to improve ways to partner with the residents and businesses of Olivette.

**FIRE CHIEF
ROBIN JOBE**

According to statistics, the number of fires and fire related deaths rise sharply during the holiday season. Gatherings of family and friends can mean an increase in cooking activity, which is the leading cause of home fires. In addition, alcohol consumption tends to increase this time of year and is cited as a contributing factor in many fire related deaths. Add candles, holiday decorations and heating equipment to the mix and the potential for

disaster is great.

You can help protect your home and your family from fire by following the simple, common sense safety tips noted below, provided by the Olivette Fire Department:

Cooking: Unattended cooking is the leading cause of kitchen fires. Wear tight-fitting or rolled-up sleeves when cooking and keep all combustible materials a safe distance from the stove.

Alcohol: Cooking or smoking while under the influence of alcohol can be deadly. Keep a close eye on any drinkers in your household and make sure all cigarettes are properly extinguished and the stove is off before going to bed.

Do you know when to change the batteries in your smoke alarms?

To ensure your smoke alarms work when you need them, change your batteries twice a year.

Install a new battery of the proper type and never use rechargeable batteries.

On Sunday, November 4th, we moved our clocks back. As a reminder, when you change your clock, change your batteries too. If you haven't already done so, please do this today. It could save you and your family.

Winter Weather

With winter approaching, residents are reminded of the need to avoid parking on streets during a snow, ice or freezing rain event. Parking on streets whenever there has been an accumulation of snow of two (2) inches or more, or ice or freezing rain, within the City of Olivette is prohibited. This requirement is supported by City Code. Fines are assessed when violation of the code provision occur.

Please help keep Olivette safe by not parking your vehicles on the street during inclement weather. The City of Olivette appreciates your cooperation.

Candles: Keep candles in a sturdy holder away from children, pets and combustible materials. Snuff them out before leaving the room.

Christmas trees: Buy a fresh tree and keep the base of the trunk in water at all times. Discard any broken or frayed sets of lights. Lit candles should never be placed on or near the Christmas tree. When the tree starts to dry out, it's time to throw it away.

Space heaters: Keep portable heaters at least one meter away from anything that can burn—including you. Don't use your heaters to dry shoes or clothes.

Heating appliances: Remember to have your furnace inspected each year by a licensed technician. Your chimney should also be cleaned and inspected annually to prevent problems that may cause a build-up of carbon monoxide. A carbon monoxide alarms will alert you to the presence of this deadly gas.

Smoke alarms: It is the law to have working smoke alarms. The fire service recommends you install one on every level of your home and outside all sleeping areas. Test your alarms regularly and change the batteries at least twice a year.

Home Escape Plan: If a fire does occur in your home, everyone must get out as quickly as possible. Develop a fire escape plan and practice it with your entire family.

Looking for that special gift for family and friends?

What better way to show you care than to give a smoke alarm or fire extinguisher. Fire fighters know that battery-operated smoke alarms are life-savers. Every level of the home should have a smoke alarm.

In fire extinguishers, a multi-purpose dry chemical type is a wise choice. Make sure the fire extinguisher is kept in an accessible place and the owner knows how to use it properly. Every home, boat, camper and trailer should have a fire extinguisher.

This holiday season, give a gift to save a life.

Why Volunteer? from Olivette In Bloom

"Why volunteer?" you ask. Susan Grossman says - It's been fun for me. Fun to make new friends in my community, fun to get dirty, fun to learn and fun to plant flowers and watch them grow. Here's how I became involved as a volunteer for Olivette in Bloom.

About ten years ago we moved to Olivette from University City. I had lived in University City for over twenty years and had been a volunteer for U. City in Bloom. When I saw a notice in the Olivette Advisory requesting volunteers for Olivette in Bloom I called right away and they signed me up to work at one of the garden work days.

Since then my involvement with Olivette in Bloom has evolved quite dramatically. I started as a weeder/planter and just loved the satisfaction I felt when I drove by the gardens that I helped to plant. One of the volunteer garden designers said to me, "You should look into becoming a Master Gardener through the Missouri Botanical Garden- you would love it" so I did.

Before long I was asked to be a designer for Veterans' Garden on the corner of Olive and Dielman. With some reluctance I agreed and faced many challenges, not the least of which was MoDOT installing a crosswalk for pedestrians. Despite whatever happens, the gardens seem to thrive. As people

drive by on our workdays they honk, wave and thank us for our hard work. Our newest garden at the Olivette Community Center now has a wheel chair accessible walkway so that it can be used by the elderly at the St. Elizabeth Daycare Center.

In January of 2006 I became president of Olivette in Bloom which has been interesting and exciting as well. We now have a spring plant exchange for our volunteers and a fall volunteer appreciation party. We just completed our 3rd Annual Mum sale. In 2008 we will sponsor Green Thumb 103, our community educational lecture series which is free and open to the public. My term will come to an end in January which will vacate the spot for someone else to contribute his or her ideas as we move into our seventh year.

Since we are exclusively a volunteer organization we are always looking for new helpers. There is room for all kinds of people whether you like to garden or not. If you would like to become involved with us please call 872-8897 or visit our website at olivetteinbloom.org where we can be contacted by e-mail.

Fall Leaf Pick-up Schedule

Sec. 1: All streets North of Olive, and all streets off of Warson Road –

- Pass 1. October 22, 2007
- Pass 2. November 7, 2007
